The Australian Silver Bullion Coin Program offers investors a unique combination of quality, convenience and choice.

Every year, our design team creates original artistry for this stunning series. This year is no exception. Struck from 99.99% pure silver, the 2018 koala is released in 1 Kilo and 1oz sizes.

Only 300,000 1oz coins will be released. No mintage limit applies to the 1 Kilo coin. However, production will close at the end of 2018 and The Perth Mint will declare the coin's official mintage.

Each coin in this program is issued as legal tender under the Australian *Currency Act 1965*.

### DESIGN

The reverse of each coin portrays a koala sitting on the branch of a eucalyptus tree surrounded by gum leaves. The inscription AUSTRALIAN KOALA, The Perth Mint's 'P' mintmark and the 2018 year-date are also included in the design.

The obverse of each coin bears the Ian Rank-Broadley effigy of Her Majesty Queen Elizabeth II and the monetary denomination.

## PRESENTATION

Each bullion coin is presented in a protective acrylic capsule.

## PRICING

Standard bullion coin premiums apply to wholesale distributors. No recommended retail prices are provided.
