The Australian Silver Bullion Coin Program offers investors a unique combination of quality, convenience and choice.

A laughing kookaburra, the largest member of the kingfisher species, is synonymous with the Australian outback. In 2018, The Perth Mint is releasing three bullion coins featuring the kookaburra, meticulously struck from 99.99% of silver in 1 kilo, 10oz and 1oz sizes.

Only 500,000 1oz coins will be released. No mintage limit applies to the 1kg and 10oz coins. However, production will close at the end of 2018 and The Perth Mint will declare each coin's official mintage.

Each coin in this program is issued as legal tender under the Australian *Currency Act 1965*.

DESIGN

The reverse of each coin portrays a flying kookaburra against the backdrop of a full moon. The inscription AUSTRALIAN KOOKABURRA, The Perth Mint's 'P' mintmark and the 2018 year-date are also included in the design.

The obverse of each coin bears the Ian Rank-Broadley effigy of Her Majesty Queen Elizabeth II and the monetary denomination.

PRESENTATION

Each bullion coin is presented in a protective acrylic capsule.

PRICING

Standard bullion coin premiums apply to wholesale distributors. No recommended retail prices are provided.
